

# Precipitation Analyses

## GPCP-Related Projects

- Reprocessing satellite microwave radiances for and improved analysis of high-resolution daily data (Ferraro, Smith, et al.)
- Improved historical analyses of precipitation (Arkin, Sapiano, and Smith)

Jan 2003 high-resolution OI analysis of precipitation using multiple microwave satellites, with reprocessing of radiances: Monthly average analysis (mm/day) and normalized analysis error (values between 0 error and 1)

Jan 2003 Analysis

Jan 2003 Error
